Thanks for this Jahan,

Do you have any numbers you can provide to verify EPA's math?

Also would be great if you could provide the distinction between security detail costs and costs for other members on those trips.

Thanks,
Miranda

In the event The Hill is interested in reporting on previous international trips taken by EPA Administrators, below you will see the full costs associated with them.

Additionally, we have provided this on-the-record statement: **"The double-standard couldn't be more clear: under Barack Obama's EPA the media chose not to report on expenditures to protect the EPA Administrator for international travel or the costs of their trips, but under the Trump Administration the costs to protect our government officials is somehow scandalous."** EPA spokesman, Jahan Wilcox
